

What can you get for 15p a week?

Members join stamp clubs and societies for many different reasons, to meet other collectors, to buy and sell in club auctions or from the club books. Some want to learn more about their particular country, area or period of collecting. Some participate in the smooth running of the club by taking office, others just like to come to meetings and be entertained. Some enjoy competing in the various competitions and some like judging them. Many members enjoy displaying their collections to their own club or to other clubs in the area. Some just like to belong and receive the auction catalogue, news-letters and club magazines.

Whichever type of member you are you can for 15p a week be a member of the London & Provincial Stamp Club. The club at present holds a number of Wednesday afternoon meetings in central London, two live auctions on Saturdays, two postal auctions, circulates Great Britain, British Commonwealth and foreign packets. Do try and make the most of what the club offers, it is always good to see new faces at the live auctions and meetings and like all clubs we always need new members. So if anyone reading this knows of someone who would like to join the club please show them this article or contact the membership secretary Leo Martini-Browne, Cardinham House, Whitehall, Stornsay, Orkney KW17 2AR who will send them details and a membership form.
